

Admission for the 2010 “the China State-Funded Postgraduates Overseas Study Program” at Nagoya University

1. Overview

Nagoya University is recruiting students from China to study at Nagoya University under the 2010 China State-Funded Postgraduate Overseas Study Program (“国家建设高水平大学公派研究生项目” and “国家公派专项研究生奖学金项目”).

The Program has two categories:

- Doctoral Degree Seeking Program (36 to 48 months)
- Joint Educational Program (6 to 24 months).

Nagoya University accepts students who have passed the screening of the prospective graduate school and who have also passed the selection examination conducted by the Chinese Scholarship Council (CSC), and grants these students exemptions from entrance and tuition fees.

2. Application Qualification

Eligible applicants must be Chinese nationals and meet all of the following conditions:

- (1) Fulfill the requirements specified in the China State-Funded Postgraduates Overseas Study Program (“国家公派研究生项目”) provided by the CSC.
- (2) Be enrolled as full-time student at a Chinese university at the time of application.
- (3) Have a Master's degree or is expected to earn a Master's degree by July 2010.
 - Those who apply for the Graduate School of Medicine are also eligible to apply if they meet one of the following qualifications:
 - ① Have completed at least 18 years of formal education abroad by July 2010 (the final specialization must be medicine, dentistry or a 6-years course of veterinary medicine) or will complete 18 years of formal education.
 - ② Have been recognized by the Graduate School of Medicine based on individual screening of qualifications as having equal academic abilities equal to those of a university graduate, and be of an age not less than 24.

3. Application Documents

All documents must be written either in Japanese or English.

- (1) Admission Application Form (attached form, A4)
 - The form can be downloaded from the following website and must be typed.
<http://www.iech.provost.nagoya-u.ac.jp/cn/index.html>
 - Signe your signature for the original copy of the Application Form sent by post.
- (2) Chronological resume (free format , A4)
- (3) Copy of passport (photo page) or copies of both sides of ID card for the People's Republic of China
- (4) Research Plan
 - Free format, A4, about 1000 characters in Japanese / about 500~700 words in English

- (5) Certificate of Master's Degree (or Certificate of Prospective Master's Degree)
 - The certificate is acceptable only if issued by the graduating or current university.
 - If the certificate is written in Chinese, a Japanese or English translation must be attached.
 - The diploma itself cannot be accepted.
- (6) Original transcripts of from all institutions attended (undergraduate and above)
 - The certificate is acceptable only if issued by the graduating or current university.
 - If the certificate is written in Chinese, a Japanese or English translation must be attached.
 - Enclose all in an envelope and put a tally impression (official seal of issuing institution).
- (7) Two sets of confidential references (on letterhead)
 - Referees can be professors, academic advisors or faculty with whom the applicant has worked closely with or taken classes.
 - Enclose in an envelope and put a tally impression (seal of referee).
- (8) Summary of publications, if any, including books, academic papers, or reports, which demonstrate the applicant's academic achievement and ability (The following graduate schools designate detailed requirements; the Graduate School of Letters, of Law, of International Development, and of Languages and Cultures. See the table on attached page.)
- (9) Essay: "Describe in detail your academic and research background and how it relates to the research you wish to conduct at Nagoya University"
 - Up to 3 pages in A4 format
- (10) Standardized Language Test Scores (if you can submit before the application deadline)
 - JLPT or any of TOEFL/TOEIC/IELTS
 - See the table on attached page regarding the Graduate Schools of Medicine, of Engineering and of Languages and Cultures.
- (11) Two identification photographs(3.5cm×4.5cm)
 - Electronic data is not acceptable.
 - Write the name of your university and your full name on the reverse and attach one of them to the Application Form.
- (12) Other documents required by the prospective affiliated graduate school: see the table on attached page.

4. Application Procedure

- (1) Contacting a prospective academic advisor at Nagoya University
Before submitting your application, you must contact a prospective academic advisor at the graduate school where you would like to study and obtain informal consent for a position in his or her laboratory after entrance. (See the table on attached page for contacts in each Graduate School.)
- (2) Application method
 Enclose all documents listed in Section 3. in a envelope, write "China State-Funded

Postgraduate Overseas Study Program” (or “国家公派研究生項目”) on the envelope, and send it by international express mail such as EMS. At the same time, send the “Application Form” (attached form) by e-mail. Use the postal and e-mail addresses indicated at Section 10.(1).

5. Application Deadline

Wednesday, December 9th, 2009

All application documents and e-mails must arrive at Nagoya University by this date.

Applications received after this date will not be accepted.

6. Selection Method

- (1) A comprehensive assessment will be made based on the submitted documents according to the assessment criteria specified by the each graduate school.
- (2) If a graduate school requires an interview examination, it will take place during the following period: Wednesday, December 16th, 2009 through Friday, December 25th, 2009, in Shanghai or Beijing.

7. Selection Results

The selection results will be sent to the applicant by mail by Saturday, February 20th, 2010. A Letter of Acceptance and a Certificate of Tuition Waiver will be enclosed for successful applicants.

8. Entrance Date

October 2010(no exceptions.)

9. Entrance Procedure

- (1) Students who have been selected by the CSC must mail the “*Certificate of State Scholarship Fund for Postgraduate Overseas Study Program*” (“国家留学基金资助出国留学証書”) as soon as possible.
- (2) Nagoya University will send information about the application procedure for the “Certificate of Eligibility” to obtain a “College Student” visa by e-mail to the applicant after the “*Certificate of State Scholarship Fund for Postgraduate Overseas Study Program*” has been received.

10. Contacts

All enquiries must be either in Japanese or English.

- (1) Enquiries concerning university entrance:

International Student Exchange Division, Nagoya University

Furo-cho, Chikusa-ku Nagoya 464-8601, JAPAN

Phone: +81-52-789-2166 Fax: +81-52-789-5100

E-mail: info-cn@post.jimu.nagoya-u.ac.jp

- (2) Contact the prospective academic advisor for enquiries concerning research details:
See the table on attached page.

11. Others

- (1) Inadequate documentation, including insufficient information or unclear explanations, may result in your application being rejected. Also, replacement of any of the submitted documents is not permitted.
- (2) The submitted documents cannot be returned for any reason.
- (3) The admission may be cancelled even after the admission is permitted — if a false statement is found in the successful applicant's application documents; required information is missing; the required documents are not submitted.
- (4) Obtain a passport in advance if you do not own one.
- (5) It is possible to reside in an apartment provided by Nagoya University for one year upon request. (Monthly rent will be approx. 40,000 yen per month.)
